

Suolo e Salute CERTIFICATION FOR THE FOOD INDUSTRY
AND FOR THE ENVIRONMENT

Halal Certification

For Halal certification you can depend on the professional collaboration between Suolo e Salute, with 40 years experience and leader in organic certification in Italy, and the Halal Food Association, the first non-profit organisation operating in the Arab countries for the promotion and development of Halal certified products. This collaboration has been established to guarantee consumers safe food products, which are produced, processed, handled and traded in accordance with an extensive control system."

Visit us at the 3rd Dubai Halal Expo (stand E7 and E8)
